Responsibilities

- The franchisee is responsible for all maintenance of the van, vacuum equipment and consumables for the 5-year term
- The franchisee is responsible for supplying the van
- The franchisor is responsible for any warranty claims*

Bond*

A bond of \$5,000 will be required at the beginning of the Franchise rental option. This bond must be paid 50% upfront as a minimum. The balance can be added to the rental agreement for a maximum of 52 weeks.

Warranty of Rental Equipment

Gutter-Vac will offer a replacement if any of the following parts fail during the rental period. This will be conditional upon the franchisee servicing the equipment correctly*

- Honda Motor
- Turbine

*This is subject to all required maintenance being completed

Why is Rental a Good Option?

- All payments off the bottom line (reduces tax).
- Rental not on balance sheet.
- Reduces upfront cash flow stress.
- Direct debit payments, so no need to stress over missing payments.
